**Your donations made
all this possible!**

Our donors made 2023 the most impactful year so far for the Friends of Bear Hollow! Your contributions supplied enrichment to Bear Hollow Zoo's resident animals, replaced worn-out reptile enclosures, enabled automated after-hours bear feeding, and aided transport of materials within the zoo. Support for the zoo, whether from first-time visitors, long-time enthusiasts, or families who have been strolling the zoo's shady pathways for generations, is always so heartwarming to see. You recognize what a special community facility Bear Hollow Zoo is, and that it takes a community to keep it going strong. Your continued support can help keep it going strong for years to come!

With gratitude,
